P/NP = Pass/Non-Pass
- 2) Course to be offered across multiple terms; Credits to be earned when the student has completed the course.
- 3) Required for selected students only. Credits earned do not count towards the graduation requirement.
- 4) Japanese Language Course level (either basic, intermediate, or advanced) will be determined according to result of placement test.
- 5) For these courses, credits earned do not count towards the graduation requirement.
- 6) 2 credits may be earned by 2 year program students in their first year of study. For all other cases, students take the course for no credit.
- 7) Short term intensive course
- 8) The two courses appearing at the immediate left are offered simultaneously, therefore students may take and receive credits for only ONE of these courses, not both.
- 9) This course will be offered twice in Term1 and Term 2. The content is the same and students may take only one of these courses.
- 10) 1 credit for each of Seminar II-1 and Seminar II-2 may be earned by 2 year program students in their second year of study.
